

Chris Reed

President - Bowen Training Australia, Chris's qualifications include the Diploma of Specialised Bowen Therapy, Advanced Diploma Myotherapy Cert IV TAE40116 (teaching).

Chris has been practicing Bowen Therapy in Geelong for the past 20 years. During this time Chris has built a busy practice and although is a qualified Myotherapist most presentations receive Bowen Therapy as a first-choice treatment.

Until last year Chris had been President of the Bowen Association for 15 years. During this time Chris always maintained contact and an association with the President/committee of the BTFA. Chris has spoken or presented at many BTFA conferences over the years.

Chris has taught Bowtech Bowen therapy since 2004, teaching locally, interstate and internationally and currently teaching the nationally recognised Cert IV and Diploma of Specialised Bowne Therapy through the RTO, Bowen Training Australia.

Chris produces the only dedicated Bowen Podcast "Bowen Buzz" and the Bowen Facebook group "Bowen Therapy Support Network" which Chris began in 2016 and is now the second largest Bowen Facebook group which he works very hard at maintaining as an apolitical forum. In this group along with his sister Loretta, Chris produces the video series "Bowen Life Banter" which looks at many things Bowen, business and life.
