

## **Andrew Roesler**

Andrew is a Musculoskeletal Remedial Therapist treating from a diverse background of education, knowledge and experience spanning over 18 years; holding a degree in Applied Science (Human Movement), Diploma of Remedial Therapy and extensive Advanced Musculoskeletal knowledge from much time spent with his mentor, musculoskeletal doctor Paul Conneely.

Andrew is the mastermind behind a beautiful clinic in the Adelaide CBD at SA Integrated Therapies, home to a team of diverse and driven allied health practitioners all working together to get the best possible outcome for their clients. An unconventional space that encompasses Andrew's unique vision.

Andrew is a leader in looking at things from an accessible, logical approach that gives the foundation for his motivation to educate others and share his breadth of knowledge and experience with these concepts and their practical and effective uses.

Andrew can be contacted at:
