

THE BUDDIES FOUR ... ROCK 'N' ROLL BIO

Buddies Four is a retro rock 'n' roll band that pays tribute to the music of the 1950s and early '60s. Think Elvis Presley, Buddy Holly, Cliff Richard, The Shadows, Roy Orbison, Carl Perkins, Bill Haley and his Comets and Australia's own Rock 'n' Roll King Johnny O'Keefe.

The band also plays many 'popular' songs from the era including hits by Bobby Darren, Johnny Cash, Col Joye and artists who were one hit wonders ... songs that other Adelaide bands don't play.

So put on your dancing shoes or just sit back, tap your toes and let the music of The Buddies Four take you back to the time of the jukebox, wireless, Teddy Boys, bobby socks and the FJ Holden.
