

## **Tina Renfrey**

Tina has a Bachelor of Applied Science in Radiography and a Post Graduate Diploma in Ultrasound, with over 20 years' experience in the medical diagnostic field, having worked all over Australia. She was certified in Bowen Therapy in 2006.

In 2011 she achieved her Diploma in Bowen Therapy and started independently practicing Bowen from rooms in Port Adelaide.

Married, with 4 children, she enjoys exploring the 'nature of being' in a women's group, as well as serving the local community as a volunteer surf lifesaver.

Tina is passionate about facilitating people's healing and teaching them how to reach their full potential so they can experience life in joyful, energetic, vibrant bodies.
