

Darren Roberts

Darren is the Master Trainer of Impact Training Corporation. Using his experience and passion of sales and communication skills, Darren empowers many individuals and teams to maximise their influence and potential by teaching them how to use effective communication and Inspirational Selling skills that are simple and work.

Darren began his career following graduating from University in the Fitness and Leisure Industry. His passion for the sales and leadership aspects of business grew strong and with over 22 years' experience of success directly in Sales and Leadership, Darren has lead a variety of businesses as Sales Manager, Business Manager to Regional and State Sales Manager and has been consulting since 2009.

Darren is a certified DISC presenter in Behavioural Style Analysis. His ability to connect with people has made him a well sought-after training consultant globally.
