

RESPONSE-ER04031456: Urgent issue - Directions - Myotherapy Association Australia  
Yesterday at 9:32 pm

Dear Ms Yerondais

**RE REF: ER04031456**

Thanking for seeking clarification on the COVID-19 restrictions as they apply to Myotherapy Practices.

We are experiencing a high volume of queries and apologise if this response comes later than you had hoped.

We have sought additional advice and at this stage, Myotherapy Practices may continue to operate, as long as they comply with current social distancing guidance.

However, the department is regularly reviewing the legal Directions under the *Public Health and Wellbeing Act 2008 (Vic)* and this advice may change.

We strongly urge your members to regularly visit the department's COVID-19 website to ensure they comply with the latest Directions and advice:
